The faded areas on the map are No Go areas - please do not go into these areas.

<sup>1</sup> There are elevated jumps on Fieldmouse trail. By-passes are provided for those not wishing to ride them.

<sup>2</sup> The funzone is an area where riders learn bike skills. Some of the platforms are half a metre above ground level. Whilst they have cushioning beneath them ride them carefully.

By-passes are provided for all difficult parts of all novice and intermediate trails.
